Stove Discount Structures

Our discount structure on the stoves is 30% off MRRP on a 30 day account basis or 37.5% on a proforma payment basis (within 7 days of receipt of order) Bespoke discount schemes are available for orders of 5 stoves or more.

We also stock a complete range of flue and chimney products and these are available at a specially discounted trade price for active Firebelly retailers.

Display model discounts range from 40% to 50% depending on models required.

To benefit from these discounts and the reduced pricing on our flue systems, you must have a Firebelly stove on display.

Trade continues on a proforma basis until account is established.
